Today’s Meeting  Besides being out first meeting of President Kris’ last month, it is also the day to cast our ballots in a general election. How ironic that yesterday June 6th was the 72nd anniversary of D-Day, where many young men, gave the ultimate sacrifice, insuring we were and are able to vote and live in a Democracy.

The Pledge of Allegiance was led by Chuck Moore, while Dr. Jim McGibbon led us in the Rotary Grace. President K Squared recognized Dick Hoppin for his service with Meals on Wheels, and then took a short poll on our upcoming meeting dates in June. Since the demotion will be on Saturday June 25th (A Saturday), incoming President Gary Wegener’s first meeting will be June 31st, the actual date is June 28, 2016. We will be dark on 7/5/2016.
Today’s Speaker Dr. Luck, the ever youthful Christian Sherrill, who arranged our speaker and “Short Timer” Kristensen.

**Visiting Rotarians:** Mark Kropp MD – Vacaville Sunrise - Physician  
John Martin – Woodland Sunrise – Bean Counter err CPA

**Guests:** Dillon Dougherty  
Sue Morning, daughter of Don Huff Jr. here to celebrate Don’s BIG 90th.  
Bridgette Linney – Valedictorian and recipient of the annual Rotary Scholarship.  
Bridgette is headed to UCLA in the fall.  
Ken Linney: Proud father of Bridgette.

**Announcements:** June 14, 2016 our meeting will be at the Velocity Water Park. May I suggest Google Maps for directions, or for the locals, the former Dubach Park.

June 21st, back to the Hotel Woodland

June 25th: Demotion: Yolo Fliers Club $35.00 per person. Bring a check or your plastic to a meeting and you can take care of the financial requirements.

June 28th: Meeting #1 of 52 for President Gary Wegener

July 5th: Meeting #2 for President Gary, however the Club has given him a hall pass, we will be dark.

**Birthdays and Anniversaries** Only Anniversaries were recognized today:

Jim & Susie McGibbon – 48 years ago in Ontario Canada  
Bob & Ruth Moeller – 68 years ago in San Leandro, CA  
Clyde & Krimhilde Booker – 40 years ago in Carson City NV

**Recognition & Thankful Time** Past President Mark Werum, struck like lightening, lighting up PP Carl Rodegerts, it seems his grandson will graduate from Woodland Christian School with Honors, as well as, being league MVP in baseball and finally being chosen to play in the Optimist All Star game this summer.  
Members being thankful:
Tabb Randolph announced his Dad is 95, as well as, being happy since Scott Johnston sat next to him, Marc Ullrich, Dan Strosk ( a very accomplished niece who will be attending Saint Mary’s College on a softball scholarship), Frank “Coot “Gardner, Dave Flory ( attended a jewelry show and hinted of a nice trinket for ouuial auction), Don Huff III ( something about a house closing), Chuck Moore( daughter Adrienne is now on the 6pm news , KOVR Chanel 13).

Dr. McGibbon, Ken Norgren, Carla Sanborn, Christy Hayes, Dan Stroski, again, David Janes, Bob Naaken, Jim Taylor and Lauri Ruiz were quizzed on various subject and as always contributed to the finances of the club.

**Steve Luck**

**EDUCATION**

- Ph.D., Neurosciences, University of California, San Diego, 1993
About

In addition to his academic appointment in Psychology, Steven Luck has been a core faculty member of the Center for Mind and Brain (CMB) since moving to Davis from the University of Iowa in 2006. He has served as director of the CMB since 2010. Professor Luck is also on the faculty of the UC Davis MIND Institute and is an affiliate of the Center for Neuroscience. He is a member of numerous professional organizations and an elected fellow of the American Association for the Advancement of Science, the Society of Experimental Psychologists, and the American Psychological Association (Divisions 3 and 6).

Research Focus

Professor Luck’s lab studies basic mechanisms of attention and working memory in healthy individuals. He also examines dysfunction of cognition in people with psychiatric and neurological disorders (including schizophrenia and ADHD). This research uses a combination of behavioral/psychophysical methods, eye tracking, brain stimulation, and event-related potential (ERP) recordings. Professor Luck also spends considerable time promoting the use of rigorous ERP methods. Toward that end, he has published multiple books (An Introduction to the Event-Related Potential Technique, tinyurl.com/Intro-ERPs; The Oxford Handbook of ERP Components, tinyurl.com/OxfordERPs). He has provided training to more than 1,500 researchers in workshops around the world (ERP Boot Camps, erpinfo.org/the-erp-bootcamp), and has developed of an open source software package for ERP data analysis (ERPLAB Toolbox, erpinfo.org/erplab).

Selected Publications

Teaching

Professor Luck teaches in the areas of Perception, Cognition and Cognitive Neuroscience. He is also a leader in new approaches to undergraduate education, especially “hybrid” courses that combine online lectures with live small-group discussions.

Awards

Professor Luck has won a number of prestigious awards throughout his career. In 2004 – 2005, he received the James McKeen Cattell Sabbatical Award, and in 2002 he was awarded the American Psychological Foundation F. J. McGuigan Young Investigator Prize. He also received the Troland Award in Experimental Psychology, National Academy of Sciences, in 2001 and the APA Distinguished Scientific Award for Early Career Contribution to Psychology in the area of Behavioral and Cognitive Neuroscience in 1998 – 1999.
To all who are viewing this edition of the venerable Splinter, by now you realize my skills with the written word, as well as, the ability to cut and paste are about the 4th grade level. My apologies to all.
